

THE INTEGRATED RISK SOLUTIONS EDUCATIONAL SERIES – THE RISK SERVICES DEPARTMENT PRESENTS:

Safety and Insurance Claims From an HR Perspective – The Basics

- *Are you in need of some basic training on Worker's Compensation?*
- *Do you wonder what it is that you don't know about Safety and OSHA?*
- *Do you know the proper steps to do an accident investigation?*

You can get the basics by attending Integrated Risk Solutions' November educational program.

What You Will Learn

- How you can impact the costs associated with insurance claims
- The basics of Worker's Compensation
- An introduction to OSHA
- How to conduct proper accident investigations
- How to develop claim reporting processes to improve results
- How best to interact with your insurance carrier

Who Should Attend

- Employees who have assumed Human Resource responsibilities that may include exposure to claims and safety.
- Business owners and managers that have taken on HR duties or supervise those that have.

About The Speakers

- *Glenn Gratz, CSP, ARM, Traci Skolaski and Scott Shaver* are members of the Integrated Risk Solutions' Risk Services Department. They work with clients assessing needs and developing solutions.
